

Buy a Star and Help

vet-i-care

Vet-I-Care is a non-profit foundation committed to helping families secure the resources required to provide much needed specialty and emergency care for their pets. Vet-I-Care was formed by the technicians and doctors that came across pets that pulled at their heartstrings when the families could not afford a procedure that would help them continue their companionship. We are funded entirely by the generosity of our community and through fundraising events.

Our Mission: To be a resource to families and their pets during their time of need. We will do this by raising awareness, contributions, and participation throughout our local communities.

These engraved stars will be part of a display at NorthStar VETS.

Cost of stars range according to the size of the star. There are 3 star sizes (Small-5", Medium-7", Large-8"); The 5"star is \$250.00, 7"star is \$500.00 and the 8"star is \$1000.00

Money generated from the stars will go to help needy patients. If you have questions please call us at 609-259-2230.
